

ASH GROVE CEMENT COMPANY

"WESTERN REGION"

June 26, 2007

Puget Sound Clean Air Agency
Attn: Fred Austin
1904 3rd Avenue, Suite 105
Seattle, WA. 98101

Please find enclosed a method 9 visible emission observation results conducted for the two new conveyors installed within top of the clinker silos. The conveyors are not an added source and since they are enclosed within the building, the exterior of the structure was observed for visible emissions. These observations were made while the conveyors were in normal operating mode.

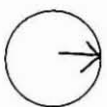

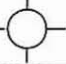

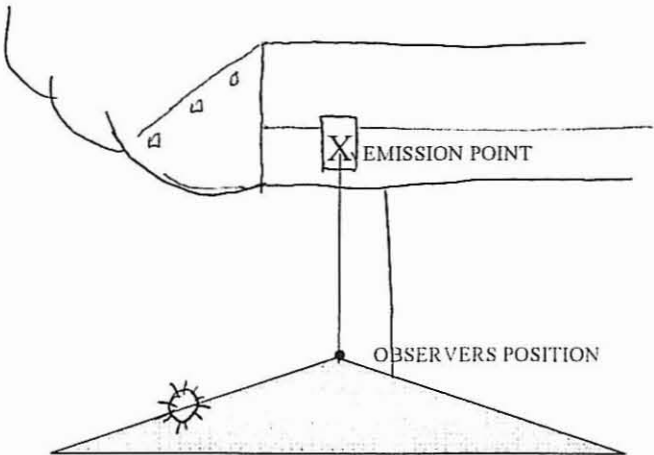

If you have any questions, please call

Yours truly,

Gerald Brown
EHS Manager.
